UNITED STATES GOLF & GAMBLING GROUP

USG³

CERTIFICATE OF PERPETUAL MEMBERSHIP

IN RECOGNITION OF GOLFING VALOR

Let it be known to all who gather upon the first tee, the nineteenth hole, and every fairway in between, that

_____

has demonstrated the requisite character, fortitude, competitive spirit, and questionable judgment to be formally and forever recognized as a

MEMBER OF USG³

Such distinction is bestowed upon those who have demonstrated the ability and willingness to:

CONQUER THE PRESSURE PUTT

Stand over the consequential putt with steady hands, a questionable read, and the knowledge that everyone is watching.

HONOR THE NASSAU

Give and receive action with honor, settle every bet with integrity, and respect the front nine, back nine, and overall result.

ENDURE THE MARATHON MATCH

Persist through endless holes, shifting fortunes, questionable rulings, and the physical and mental demands of competition without surrendering one's sense of humor.

GIVE, RECEIVE & ENDURE THE HECKLING

Deliver and withstand the requisite abuse, both deserved and otherwise, recognizing that no friend, foe, missed three-footer, or spectacular collapse is beyond good-natured ridicule.

Membership carries with it the solemn obligation to compete fiercely, wager honorably, pay promptly, laugh often, and never allow a grudge to outlast the match.

IN THE SPIRIT OF CAMARADERIE & COMPETITION

By the authority vested in the Founder, this membership is hereby granted in perpetuity, irrevocable and without expiration, so long as the game is played, the bets are honored, and the fellowship endures.

UNITED STATES GOLF & GAMBLING GROUP

USG³ — FOREVER IN THE GAME

THE GAME AND THE COMRADERIE IS BIGGER THAN THE SCORECARD.

The United States Golf & Gambling Group™ wasn't born in a corporate boardroom. USG³™was built and forged on tees, greens and fairways across the globe. Wagers are settled over post-round drinks where bets are paid out without excuses.

USG³™ exists for golfers who play with honor, wager with vigor and square up bets immediately. They are golfers who know the match doesn't end at the 18th cup. The real test is character; having the stomach to drain a high-stakes eight-footer, the class to peel off cash or send Venmo before ordering the first round, and the thick skin to handle non-stop trash talk from your closest friends, new found friends and even longtime frenemies.

REMEMBER THIS MAXIM

> "If you argue a Nassau press after the tee shot is in the air, you don't belong here. Honor the bet, grab your club, and hit the recovery shot."

In a world that has sanitized sports into polite silence and corporate hospitality, USG³™ is an unapologetic refuge for the honorable gambler, the weekend warrior, and the crew that values brutal, uncompromising fellowship.

📖 OFFICIAL CODEX: USG³ BY-LAWS

Built to protect the honorable press, eliminate slow play through relentless trash talk (hurry the F up!), and celebrate the beautiful misery of a three-putt when money is on the line.

- **RULE 1.1 — IMMEDIATE SETTLEMENT**
  All Nassau, skins, and hammer bets must be settled before the first person leaves the clubhouse patio or other established airing of the grievances location.
- **RULE 2.4 — STRICT GIMMES**
  A putt is only given if a previously agreed upon and precisely measured length has been established by all participants. The agreed upon length must be measured and marked on each player's putter- otherwise put it out.
- **RULE 3.7 — MANDATORY HECKLING**
  Quiet during the backswing is respected. Total psychological warfare while walking between shots is required.

⛳ THE FOUR CORNERSTONES OF USG³

These core pillars govern every round, press, and post-game debate.

I. OWN THE PRESSURE PUTT

Stand over the game-winning putt with steady hands, likely a guess of a read, and the full awareness that some are silently praying for you to miss.

Think ICE IN THE VEINS

II. HONOR THE NASSAU

Book and accept action with integrity. Pay out the front, the back, and the overall match without a single complaint or delay.

ACCOUNTABILITY FOR THE STAKE OF THE GAME AND FRIENDSHIPS

III. SURVIVE THE GRIND

Push through long rounds, shifting momentum, bad breaks, and mental fatigue without ever losing your sense of humor.

GRIT AND RESILIENCE ARE REQUIRED

IV. DISH IT OUT, TAKE IT INDEED

Give and take the mandatory abuse. Remember that no friend, foe, missed short putt, or epic collapse is safe from a good-natured roasting.
